

# Looking for Kindertons to Increase your Revenue & Provide Claims Solutions?

## Who are Kindertons?

Established in 1993, Kindertons aim has always been to remove the stress and inconvenience any accident inevitably causes to you and your clients. As our business has grown from strength to strength over the years we have never lost sight of this commitment to deliver the best possible customer service to all clients.

Kindertons provide accident management and replacement vehicle solutions to innocent parties involved in road traffic accidents. We pride ourselves on offering a friendly and efficient service with a view to remove all the stress and inconvenience caused.

In this day and age of faceless call centres, isn't it satisfying to know that if you call Kindertons, your client will speak to a human being and not a machine! Whats more, the claims handler who answers the call will give the client their direct dial number and e-mail address, becoming the point of contact throughout the claim to its conclusion.

## What can Kindertons offer my clients and I?

Kindertons are able to offer a range of bespoke products to best suit your existing and future requirements. This could include anything from a straight forward Legal Expenses Policy to our complete Accident Management Scheme, where we undertake control of all your motor claims regardless of liability.

We fully understand that the most important thing to you is the retention of your clients. Equally, it has been proved that how well a claim is handled directly impacts on your clients decision to renew their policy.

Further to this, Kindertons run an extensive fleet of vehicles, which can cater for every customers needs, providing prestige, dual controlled, taxi plated and standard vehicles. Even if your clients vehicle is deemed to be un-drivable, Kindertons will get a replacement vehicle out immediately.

## What next?

Kindertons deal with a large number of Insurance Brokers nationally and we are confident we can increase your revenue and handle your claims efficiently and professionally.

Please do not hesitate to call out sales team on 01270 507 988 or do reply to this email for further information on the Kindertons services.

**We do look forward to hearing from you and are waiting for your call or email.**
