WHY GUARANTEED HIRE VEHICLE INSURANCE?

Having an accident or a vehicle stolen can be stressful enough without the inconvenience of being off the road whilst it's being repaired or replaced. Guaranteed Hire Vehicle Insurance will ensure you stay on the road when this happens.

You have the option of 14 or 28 days' cover, which needs to be chosen at inception. A replacement vehicle will be provided subject to these limits. This could be whilst repairs are being completed or until you receive a cheque in settlement of your pre-accident valuation.

The replacement vehicle is normally provided within 48 hours of the incident being reported to us and includes free collection and delivery, resulting in the minimum of disruption to you.

Cover can be provided for a range of vehicles to best suit your requirements; the following indicates typical replacement vehicles for each type.

Class A	Vauxhall Corsa
Class E	VW Passat
MPV	Ford Galaxy
Prestige	Mercedes E Class
Small Van	Peugeot Partner
Large Van	Citroen Relay LWB
Minibus	12 Seater & 15 Seater
